PF-4 PRINT: gives you a selection of report (s) you want printed

PF 4 - Print

The screenshot shows a terminal window titled "Session E - TESTING ONLY" with a menu bar (File, Edit, View, Communication, Actions, Window, Help). The main display shows crew management data for "BNSF Crew Management" on 10/22/08 at 13:23:00CT. It lists a "Working Board Report" for station "CLOVIS, NM" with various statistics like "Working Board: 6", "Eligible: 30", "Assigned: 30", "Working: 18", and "Vacation: 2".

A "Print Options" dialog box is overlaid in the center, titled "Print Options". It prompts the user to "Select the report(s) to Print" and lists three options:

- Standing and Vacancies
- Train - On Train/OnJob
- Layoff
- Print All

The dialog also includes instructions: "Enter---PF1---PF12" and "Help Canc".

Below the dialog, the terminal shows a list of employees with columns for "TM", "StCd", "Employee", "Train", and "Vcy". The list includes:

- 001 MR MCCORM (VMCIABQ816A) CLO
- 002 J SNEE (UPEIST0111A) CLO
- 003 G STON (HKCKBAR918A) CLO

At the bottom, there are navigation instructions: "Enter-PF1---PF2---PF3---PF" and "Help Main Exit LclPr Email Back Fwd TrDtl". The status bar at the bottom left shows "MA e" and the bottom right shows "17/031".

You may select the report (s) to print, put an "x" next to the report you want printed, then hit enter

PF-6 E-MAIL: gives you a selection of report (s) you want to email.

E-Mailing Options

The screenshot shows a terminal window titled "Session E - TESTING ONLY" with a menu bar (File, Edit, View, Communication, Actions, Window, Help). The main display shows a "BNSF Crew Management" report for "BNSF DILWOR" at "CLOVIS, NM". A dialog box titled "E-mail Options" is overlaid, prompting the user to "Select the report(s) to E-Mail". The dialog lists three options: "X Standing and Vacancies", "- Train - On Train/OnJob", and "E-Mail All" (which is selected with a green square). The dialog also includes instructions: "Enter---PF1---PF12" and "Help Canc". The background report shows a list of employees with their IDs and names, and a status column. At the bottom of the terminal, it says "Email sent successfully." and "17/031".
