49 for by one-third of the Delegates present.

50 14. The convention is prohibited from considering proposed  
51 constitutional amendments not previously presented to the Constitution  
52 Committee.

53 15. All constitutional changes recommended by the Constitution  
54 Committee and all such proposals printed and distributed to Officers  
55 and Delegates will show the current constitutional provision and the  
56 proposed change printed on the same sheet in a manner which will  
57 permit easy and accurate comparison. Portions of the Constitution  
58 which are not involved in amendment proposals will not be read during  
59 sessions of the Committee of the Whole and such portions will,  
60 therefore, be identified and passed upon by making appropriate  
61 references to their number and/or title.

62 16. Affirmative action by the Committee of the Whole in rescinding  
63 a former action is not subject to a motion to reconsider. If the motion to  
64 rescind in a case of this kind fails to carry, a motion to reconsider would  
65 be proper but the matter can be acted upon but once.

66 17. During debate the presiding officer will recognize the Delegate  
67 first in line before each microphone in series beginning with  
68 microphone No. 1, and continuing through the number of microphones  
69 on the floor before again recognizing microphone No. 1. Recognition  
70 shall be alternated between proponents and opponents on all  
71 questions, odd number microphones for proponents, and even numbers  
72 for opponents. When a Delegate wishes to speak he/she shall proceed

73 to one of the microphones. When recognized by the presiding  
74 officer, the Delegate shall give his/her name and local number. He/she  
75 shall confine remarks to the pending question.

76 18. If the report of a committee is adopted, the report becomes the  
77 act of the convention. If the report fails of adoption, it may be referred  
78 back to the committee for further consideration.

79 19. The report of the Committee on International Officers' Reports  
80 will be distributed to Delegates on the first day of the convention. The  
81 report will be considered, without reading, as a special order of business  
82 on the fourth day of the convention.

83 20. Documents of interest to the convention shall be printed in the  
84 minutes without being read to the convention. This includes resolutions  
85 and other matters which direct themselves to appropriate committees  
86 for consideration prior to being brought to the floor of the convention.

87 21. Reports of the Sick Committee will be printed in each day's  
88 minutes.

89 22. The daily sessions of the convention may be opened with a  
90 prayer by a member of the clergy or, in the absence of same, by a  
91 Delegate.

92 23. The General Secretary and Treasurer may advance travel  
93 allowances and per diem payments to Delegates upon request without  
94 approval of the convention.

95 24. While in the Committee of the Whole, a motion to stop debate  
96 shall apply only to the specific subject then under debate.

97 25. Election of International officers will commence not later than  
98 the first order of business on the second Monday of the convention.

99 When electing International officers the following rules will apply:  
100 Where an individual officer or position is involved, and no candidate  
101 receives a majority of legal votes cast on the first ballot, and there are  
102 more than three (3) candidates on the ballot, all candidates except the  
103 top three (3) will be dropped. Thereafter, the candidates receiving the  
104 lowest number of votes will be dropped on each ballot, until one of the  
105 candidates receives a majority of legal votes cast. In placing the names  
106 of candidates on ballots or voting machines, the names of incumbent  
107 officers shall appear first with the names of other candidates following in  
108 alphabetical order. When elections are run simultaneously no member

## **ARTICLE 37**

### **PRINTING AND DISTRIBUTION OF CONSTITUTION**

1 Copies of the Constitution shall be furnished to all members of the

2 United Transportation Union and sufficient copies shall be printed in  
 3 French and made available to French speaking members of the United  
 4 Transportation Union in Canada.

### **ARTICLE 38 SAVING CLAUSE**

1 The International President, with the approval of the Board of  
 2 Directors, may take such action as may be deemed necessary to meet  
 3 situations not covered in this Constitution in order to protect the interest  
 4 of the membership and the United Transportation Union.

5 If any portion of this Constitution is found to be in violation of a  
 6 Federal, State, or Provincial law, such law shall supersede that portion  
 7 of this Constitution, but only to the extent and within the limits of the law,  
 8 and provided that any change shall not affect the validity of the  
 9 remaining portions of this Constitution.

### **ARTICLE 39 LOCALS**

1 Employees in transportation service, other fields of employment,  
 2 trades and industries, whether public or private employees, desiring to  
 3 organize a local shall apply to the International President for a charter.  
 4 The application must be accompanied by a fee of \$50.00 to cover the  
 5 cost of necessary supplies for the local.

6 Should the application be favorably considered by the International  
 7 President, the General Secretary and Treasurer shall issue a charter,  
 8 properly signed under official seal, and forward to the person  
 9 designated. The International President will direct an officer of the  
 10 International to organize the local and install the elected officers in  
 11 accordance with this Constitution.

12 By-laws for their special government, which do not conflict with this  
 13 Constitution, may be adopted, subject to the approval of the  
 14 International President.

 16 and thereafter it shall be known as "United Transportation Union  
 17 Local No.\_\_\_\_."

### **ARTICLE 40 JURISDICTION AND AUTHORITY**

1 The jurisdiction of locals shall be that which existed on the date of  
 2 unification. Changes in jurisdiction may be made by the International  
 3 President after giving the interested General Chairperson an opportunity  
 4 to file recommendations regarding the matter. The local shall have  
 5 jurisdiction over all members of the United Transportation Union  
 6 employed under its jurisdiction.

7 The decision of a local on all matters within its authority shall be  
 8 final, unless appealed in accordance with the provisions of this

9 Constitution and reversed.

10 Jurisdiction and authority shall not extend to the transfer of  
11 members from one local to another local to result in any local of twenty-  
12 five (25) or more members being closed. Henceforth the International  
13 President shall not make changes in jurisdiction of locals which would  
14 result in closing a local whose membership is twenty-five (25) or more  
15 members.

16 A local may discipline its members for misconduct or violation of  
17 their obligation.

## **ARTICLE 41 MEMBERSHIP**

1 Any person of good moral character who is employed in a craft or  
2 vocation, whether public or private employment, represented by the  
3 United Transportation Union is eligible to membership.

4 To gain admission or readmission, an applicant must execute and  
5 file with the local Treasurer an official application for membership which  
6 must be accompanied by cash, check, or money order to cover one  
7 month's dues and assessments.

8 No application for admission or readmission shall be accepted by  
9 the Treasurer or considered in any manner until three (3) members of  
10 the local have signed the same certifying that to the best of their belief  
11 the applicant is of good moral character and if admitted to membership  
12 in the United Transportation Union will be a worthy member. Upon  
13 receipt of a properly executed application accompanied by the required  
14 dues and assessment, the local Treasurer will issue to the applicant an  
15 official receipt and will promptly forward to the General Secretary and  
16 Treasurer the completed application, together with the required dues  
17 and assessments. The local Treasurer will report at each meeting all  
18 admissions and readmissions occurring subsequent to the last meeting  
19 of the local.

20 Notwithstanding the foregoing the International President may  
21 waive compliance with the provisions of this Article where he/she is  
22 satisfied that an application for certification will be made by the United  
23 Transportation Union to any Labour Relations Board in Canada; in such  
24 case, compliance by any person in Canada with the minimum  
25 requirements of the appropriate Labour Relations Board respecting  
26 membership in a trade union shall be considered as conferring  
27 membership upon such person.

28 The official membership application form will include the following  
29 statement which will be subscribed to, and signed by, the applicant in  
30 the presence of an officer or member of the local who shall witness the  
31 applicant's signature and certify by signature that he/she has done so:

32 "I pledge my honor to faithfully observe the Constitution  
33 and Laws of the United Transportation Union, including  
34 the by-laws of my local; to comply with the rules and  
35 regulations for the government of the United  
36 Transportation Union; not to make known to outsiders

37 any private proceedings of the United Transportation  
 38 Union; to faithfully perform all the duties assigned to me  
 39 to the best of my ability and skill; to so conduct myself at  
 40 all times as not to bring reproach upon my union and at  
 41 all times bear true and faithful allegiance to the United  
 42 Transportation Union."

 4 of North America in addition to service in the Merchant Marine during a  
 5 national emergency and any military service together with continuous  
 6 membership in the United Transportation Union will be combined to  
 7 compute total continuous membership in the United Transportation  
 8 Union.

## **ARTICLE 43 MEMBERSHIP CARDS**

1 Members of the United Transportation Union, upon written request  
 2 to the Treasurer of their local during the month of December, will be  
 3 furnished a membership traveling card for the following year. Such  
 4 cards shall bear the number and seal of the local, and the signature of  
 5 the President and Treasurer of the local. The title, if any, and the  
 6 continuous membership record of the member shall also be shown  
 7 thereon.

8 Members totally disabled or having twenty (20) years' continuous  
 9 membership as provided in Article 42 and are retired from transportation  
 10 service will be given a gold embossed card indicating life membership in  
 11 the United Transportation Union. Such members shall be entitled to  
 12 attend local meetings.

## **ARTICLE 44 AUTHORITY TO REPRESENT**

1 Every member of the United Transportation Union grants complete  
 2 authority to the United Transportation Union and any of its constituted  
 3 representatives to act in said member's behalf for the purpose of  
 4 disposing, in any manner, of any and all of said member's claims,  
 5 complaints, or grievances against their employer; and to submit such  
 6 claims, complaints, or grievances for determination to any person,  
 7 board, or other tribunal provided by law or otherwise as may be  
 8 deemed to be necessary. The United Transportation Union shall have  
 9 authority to receive notice of hearings, or to waive hearing, and to  
 10 appear for, represent, and act for its members before any person,  
 11 board, or other tribunal in connection with consideration and

12 determination of claims, complaints, or grievances, subject  
 13 to the right of appeal in accordance with the provisions of this  
 14 Constitution, except where the member involved serves reasonable  
 15 written notice on the United Transportation Union to the contrary.

16 Decisions reached disposing of or settling claims, complaints, and  
 17 grievances referred to herein shall be furnished in writing, within thirty  
 18 (30) days after such decision, to the Local Chairperson and Secretary of  
 19 the local submitting such claims, complaints, and grievances.

1

## **ARTICLE 45 DUTIES OF MEMBERS**

 2 all dues and assessments promptly, to attend all meetings of their local  
 3 where reasonably possible to do so, to faithfully observe the provisions  
 4 of the Constitution of the International and the by-laws of the local, to  
 5 keep from outsiders the private proceedings of the United  
 6 Transportation Union, to faithfully perform all the duties assigned to  
 7 them to the best of their ability and skill, and to so conduct themselves  
 8 at all times as not to bring reproach upon the United Transportation  
 9 Union. Members who are found to be in violation of these duties are  
 10 subject to reprimand, suspension, or expulsion, as their local may  
 11 determine, following a trial conducted in strict compliance with Article 74  
 12 of this Constitution.

## **ARTICLE 46 VISITING MEMBERS**

1 Visiting members of the United Transportation Union shall be  
 2 admitted to local meetings upon presentation of an official receipt for the  
 3 current month's dues or life membership card. In case the identity of  
 4 the visiting member is not known, further proof of membership may be  
 5 required.

## **ARTICLE 47 TRANSFER OF MEMBERS**

1 (a) In the event the charter of a local is revoked or surrendered the  
 2 members shall be transferred to a local having jurisdiction over their  
 3 current employment. The local having jurisdiction will be designated by  
 4 the International President and such members will be transferred on the  
 5 date such revocation or surrender is effective.

6 (b) Following the date of unification, members in active service  
 7 must become members and maintain membership in the local having  
 8 jurisdiction over the craft in which assigned on the seniority territory on  
 9 which employed. Thereafter, if a member is assigned to another craft  
 10 under the jurisdiction of another local for a period in excess of ninety  
 11 (90) days the Treasurer of the local with which the member is affiliated

12 shall, upon receipt of written request from the Treasurer of the  
 13 local under whose jurisdiction the member is working, issue a transfer  
 14 certificate for the member.

15 Nothing in this section shall prohibit a member from voluntarily  
 16 transferring to another Local in less than ninety (90) days provided  
 17 he/she is working under the jurisdiction of that Local.

18 (c) Notwithstanding the foregoing, and in circumstances in which  
 19 two (2) or more locals have identical jurisdiction a member may, upon  
 20 written request, transfer his/her membership from one such local to the  
 21 other.

22 (d) General Chairpersons, Local Presidents, Local Chairpersons,  
 23 First Vice Local Chairpersons, Secretary and Treasurers, and  
 24 Legislative Representatives shall not be subject to the aforementioned  
 25 transfer requirements.

26 (e) Transfer certificates will be in the form prescribed by the  
 27 General Secretary and Treasurer and completed in quadruplicate by the  
 28 Local Treasurer, forwarding the original to the local requesting the  
 29 transfer, the second copy to the General Secretary and Treasurer, the  
 30 third copy to the member being transferred, and retaining the fourth  
 31 copy for his/her records. Upon the completion of this transaction, the  
 32 member will be obliged to pay dues and assessments, effective on the  
 33 first day of the following month, to the local to which transferred.

34 (f) Members required to transfer from one local to another local in  
 35 the application of this Article may continue to participate in any benefit  
 36 program in which they were participating at the time of said transfer,  
 37 provided such member continues to remit the necessary payment for  
 38 said benefits.

## **ARTICLE 48**

### **LOCAL FUNDS**

1 Each local shall maintain a local fund to pay the expenses of the  
 2 local, by levying local dues on all in-service members. The amount of  
 3 local dues shall be established by the members present, voting by  
 4 secret ballot, when the local is organized.

5 No change in local dues, the daily rate or salary established for  
 6 local officers or legislative representatives, or the levying of a special  
 7 assessment, may be considered by a local until notice of such  
 8 proposition has been read at one (1) regular or special meeting and all  
 9 members have been notified of the proposition and date on which the  
 10 proposition will be considered. Any proposition to change local dues,  
 11 the daily rate or salary established for local officers or legislative  
 12 representatives, or the levying of a special assessment, must be  
 13 approved by a majority vote of the members, voting by secret ballot, in  
 14 attendance when the proposition is considered.

15 Each local shall maintain a local committee fund to pay the cost of  
 16 representation by the Local Committee of Adjustment by levying local  
 17 committee dues, as established by the members present under its  
 18 jurisdiction, voting by secret ballot, when the committee is established.

19 No change in Local Committee dues, the daily rate or  
 20 salary established for Local Committeepersons, or the levying of a  
 21 special assessment may be considered until such proposition has been  
 22 read at one (1) regular or special meeting and all members working  
 23 under the jurisdiction of the Local Committee have been notified of the  
 24 proposition and date on which the proposition will be considered. Any  
 25 proposition to change Local Committee dues, daily rate or salary of  
 26 Local Committeepersons, or to levy a special assessment must be  
 27 approved by a majority vote of the members working under the  
 28 jurisdiction of the Local Committee involved, voting by secret ballot, who  
 29 are in attendance when the proposition is considered.

30 The effective date of any increase in local, local committee of  
 31 adjustment dues, or special assessments must coincide with the  
 32 requirements of any checkoff of Union Dues Agreement in effect.

## **ARTICLE 49**

### **PAYMENT OF DUES AND ASSESSMENTS**

1 The dues and assessments of members shall be paid in advance,  
 2 before the first day of the month in which they are due. Any member  
 3 who fails to pay his/her dues and assessments within the time provided  
 4 shall be suspended without notice or further action.

5 No member shall be considered in arrears for dues and  
 6 assessments when his/her employer has withheld from their pay money  
 7 for such dues and assessments, pursuant to a dues check-off  
 8 agreement, and the employer has delayed or defaulted payment to the  
 9 local.

10 A member who for any reason, including sickness and disability, is  
 11 not engaged in transportation service, other fields of employment,  
 12 trades, and industries, whether in public or private employment where  
 13 the United Transportation Union holds the contract, or in the service of  
 14 the United Transportation Union for a full calendar month (excluding  
 15 his/her vacation) shall, upon submitting to the General Secretary and  
 16 Treasurer and the local Treasurer written request on the prescribed  
 17 form, be relieved from the payment of all dues and assessments for  
 18 subsequent calendar months until he/she again returns to  
 19 transportation service, other fields of employment, trades, and  
 20 industries, whether in public or private employment where the United  
 21 Transportation Union holds the contract, or service with the United  
 22 Transportation Union. Such member will promptly report to the local  
 23 Treasurer his/her date of return to active service with the employer and  
 24 will be obligated to pay full dues and assessments beginning with the  
 25 first month thereafter.

26 During the period in which members request relief and are relieved  
 27 from the payment of dues and assessments in accordance with this  
 28 Article, they shall continue to enjoy all privileges of membership, except  
 29 they shall not be permitted to vote in elections or on any other subject  
 30 involving grievances, hours or mileage limitation, or other methods of  
 31 work distribution.

32 The local Treasurer, in cooperation with the local  
 33 President and the local Chairperson involved, will maintain a close  
 34 check of the roster of members who are relieved from the payment of  
 35 full dues and assessments under the provisions of this Article with a  
 36 view towards avoiding the abuse of this privilege. In addition, the local  
 37 Treasurer will, at each regular meeting of the local, read for the benefit  
 38 of members present the roster of members who have been excused  
 39 from the payment of full dues and assessments.

40 Where the reason for a member not being engaged in  
 41 transportation service, other fields of employment, trades, and  
 42 industries, whether in public or private employment where the United  
 43 Transportation holds the contract, or in the service of the United  
 44 Transportation Union is sickness or disability the local, upon receipt of  
 45 written request from the member, may by majority vote of the members  
 46 present at any regular meeting authorize the local Treasurer to pay the  
 47 member's remaining dues and assessments for such period as the  
 48 local might determine. The written request shall be a condition  
 49 precedent to the member's rights under this paragraph.

50 Dues and assessments advanced for the benefit of sick or disabled  
 51 members under the foregoing paragraph represent a loan to the  
 52 member. The local shall designate a date on or before which the  
 53 amount advanced should be repaid. If repayment is not made within the  
 54 time specified the member shall be suspended for non-payment of  
 55 dues.

56 It shall be the duty of the members to keep the Local Secretary and  
 57 Treasurer advised of their current home address.

## **ARTICLE 50 SUSPENSIONS**

1 A member suspended for improper conduct shall, at the expiration  
 2 of the time for which the member was suspended, be reinstated but  
 3 shall not be required to pay dues and assessments accrued during the  
 4 suspension. Should the member be accused of improper conduct  
 5 during the suspension, the member shall be liable to charges.

## **ARTICLE 51 READMISSION**

1 A member who has been suspended for non-payment of dues or  
 2 assessments may be readmitted upon application on proper form and  
 3 the payment of all money due up to the date of his/her suspension, plus  
 4 dues and assessments for the current month and a reinstatement fee of  
 5 \$1.00. Where less than one calendar month has elapsed, no  
 6 reinstatement fee will be required. A member expelled for causes other  
 7 than non-payment of dues or assessments shall not be readmitted in  
 8 less than six (6) months. A member expelled upon charges ordered by  
 9 a convention, or one who was expelled for defrauding a local, shall  
 10 secure a dispensation from the International President before

11 presenting application for readmission.

## **ARTICLE 52 REGISTERS**

1 Locals shall maintain a register showing the name, address, and  
2 employment of their members.

3 Locals shall also maintain an attendance register and require that  
4 every member who attends local meetings personally register his/her  
5 name and local number therein.

6 Local Secretaries shall be responsible for the maintenance of  
7 accurate registers by their local.

## **ARTICLE 53 RIGHTS AND BENEFITS**

1 Except as otherwise provided in this Constitution, no member shall  
2 be entitled to any of the rights or benefits of the United Transportation  
3 Union, unless dues and assessments are paid within the time specified  
4 herein.

## **ARTICLE 54 LOCAL MAINTENANCE OF MEMBERSHIP FUND**

1 When authorized by a majority vote of its membership, a local may  
2 establish a Maintenance of Membership fund by levying an assessment  
3 of \$1.00 per member for one month or transferring an equivalent  
4 amount from the local fund.

5 The purpose of the Maintenance of Membership fund is to provide a  
6 fund from which the local Treasurer may, without written request from  
7 the member or advance approval of the local, advance the dues and  
8 assessments of members who do not pay the same in advance before  
9 the first day of the month. The Treasurer will not advance the dues and  
10 assessments of a member who submits, before the first day of the  
11 month, written request for a termination of membership.

12 When dues and assessments are advanced from the Maintenance  
13 of Membership fund, the member involved must reimburse the fund for  
14 the amount of the dues and assessments plus a service charge of  
15 \$1.00. Should the member fail to repay this amount during the month for  
16 which the advance was made, the Treasurer will make no further  
17 advances for benefits until the member has paid the indebtedness. If  
18 the member is subsequently suspended for non-payment of dues or  
19 discontinues membership in any other manner, the amount of  
20 indebtedness to the Maintenance of Membership fund will be deducted  
21 from any payment that may be due said member from the International  
22 or the local. If recovery of the amount due the Maintenance of  
23 Membership fund is not accomplished in this manner, the suspended  
24 member will not be readmitted to membership until the amount due  
25 has been paid.

## **ARTICLE 55 TIME AND PLACE OF MEETING**

1 A local shall hold at least one regular meeting each month at the  
2 time and place specified in its by-laws. Upon reasonable notice to the  
3 members and the International President a local may take action to  
4 change the place and time of meeting in the same town or city in  
5 accordance with its by-laws.

6 Special meetings may be called by the President of the local and

12 not be vested to act with any authority reserved to elected officers.

13 The elective and appointed officers shall serve for a period of three  
14 (3) years or until their successors assume office. No member may fill  
15 more than one (1) of these elective offices at the same time.

## **ARTICLE 57 ELECTIONS IN LOCALS**

1 The election for officers of a local shall be held in November, 1969,  
2 and each three (3) years thereafter.

3 An election to fill the offices of Local Committees of Adjustment  
4 shall be held in November, 1970, and quadrennially thereafter.

10 election.

11 An election for Delegate and Alternate Delegate shall be held in

15 Officers stipulated in this Article shall be elected by secret ballot at  
16 a November meeting of the local, or by referendum vote, as provided  
17 by existing by-laws or procedures of each local. Nominations must be  
18 filed with the Secretary not later than the last regular meeting in  
19 October in the year of election. Where nominations are made by  
20 nominating petition, at least five (5) members eligible to vote shall sign  
21 the petition. The Secretary shall promptly acknowledge receipt of all  
22 petitions and read them at the last regular meeting in October.

23 The members present at the last regular meeting in October shall  
24 set the date on which the ballots shall be counted and the election  
25 held.

26 The Secretary shall prepare ballots showing the names of all  
27 candidates and the offices for which they are nominated.

28 Incumbent officers shall appear first with names of other  
29 candidates following in alphabetical order.

30 The ballots shall be prepared so as to provide a square opposite  
31 each candidate's name in which the voter can mark his/her preference  
32 of candidates.

33 In locals having more than one Local Committee of Adjustment for  
34 different crafts, the Secretary will provide a separate ballot for all  
35 eligible voters of each craft working under the jurisdiction of the  
36 committee involved.

37 When voting by mail referendum the ballot shall be mailed by  
38 government first-class mail to each member eligible to vote in  
39 envelopes bearing a return address the same as the Post Office  
40 address on the "Ballot" envelopes. Ballots shall be mailed at least fifteen  
41 (15) days prior to the date set to tabulate the ballots, together with a  
42 leaflet containing voting instructions, an envelope marked "A", and a  
43 stamped envelope marked "Ballot" addressed to the Secretary in care of  
44 the postmaster for mailing by the voter.

45 The leaflet containing voting instructions shall contain the  
46 following:

47 "Instructions for voting by mail: The voter will make a  
48 mark in the square of his/her choice, fold, and place  
49 the ballot in the envelope marked `A' and seal. Place  
50 sealed envelope `A' in envelope marked `Ballot' and  
51 seal. Place name and address in upper left-hand  
52 corner of envelope marked 'Ballot' and mail. Do not  
53 place any mark of identification on the ballot or the  
54 envelope marked `A' that would destroy the secrecy of  
55 the ballot."

56 The Secretary shall arrange with the postmaster for a post office  
57 box. The key or combination of such box shall remain in possession of  
58 the postmaster. Such arrangement shall be confirmed by letter.

59 On the day set for the tabulation of the ballots and election, the  
60 President will appoint three (3) tellers. A copy of the letter confirming  
61 the arrangement with the postmaster will be furnished the tellers which  
62 will authorize the postmaster to deliver the contents of the box to the  
63 tellers at a given hour.

64 The tellers shall return to the local and canvass the ballots. They  
65 will check the names on the envelopes marked "Ballot" against the list  
66 of eligible voters furnished by the Secretary, open the envelopes  
67 marked "Ballot", and remove the envelopes marked "A". After all  
68 envelopes marked "Ballot" have been opened, and emptied, the  
69 envelopes marked "A" shall be opened, ballots removed, and  
70 canvassed by the tellers. The results shall be reported to the President  
71 of the local in writing.

72 The candidate receiving a majority of the votes cast for a given  
73 office shall be declared elected. If no one (1) of the candidates for a  
74 given office receives a majority of the votes cast, another ballot shall be  
75 submitted to all eligible voters upon which shall appear only the names  
76 of the two (2) candidates receiving the highest numbers of votes cast for  
77 that office. If any number of the candidates for a given office are tied for  
78 the highest number of the votes cast, another ballot shall be submitted  
79 to all eligible voters upon which shall appear only the names of the  
80 candidates receiving the highest number of votes cast for that office. If  
81 one (1) candidate receives the highest number but that number does  
82 not constitute a majority of the votes cast for a given office and any  
83 number of candidates are tied for the second highest number of votes  
84 cast, another ballot shall be submitted to all eligible voters upon which  
85 shall appear only the name of the candidate receiving the highest  
86 number and the names of the candidates receiving the second highest  
87 number of the votes cast for that office.

88 The Board of Trustees shall be elected by a majority of the ballots  
89 cast.

90 The Secretary will keep all election records for one (1) year,  
91 including used, unused and void ballots, eligible list, tally sheets, and  
92 "ballot" envelopes used to mail in marked ballots.

93 When only one (1) nomination has been received for an office the  
94 member so nominated will be declared elected on the day set for the  
95 tabulation of ballots and election.

96 In the event of a permanent vacancy in any office, the local shall  
97 proceed to fill the vacancy in accordance with the by-laws of the local or  
98 as provided in this Article; except the Vice President shall succeed to  
99 the office of President, the Alternate Legislative Representative shall  
100 succeed to the office of Legislative Representative, and the Alternate  
101 Delegate shall succeed to the office of Delegate.

102 In elections for Local Committees of Adjustment, only members in  
103 service under the jurisdiction of such committee will be notified of such  
104 election and permitted to file or sign nominating petitions and vote.

105 Locals failing to complete their regular elections during the  
 106 month of November, must notify the International President the reason  
 107 therefor and the date set for the completion of the election.

108 Locals must, following each election of officers or succession to  
 109 office, promptly notify the General Secretary and Treasurer, interested  
 110 General Chairpersons, and State, District, and Provincial Legislative  
 111 Boards of the names and addresses of the new officers.

112 Local Officers, Committeepersons, Legislative Representatives and  
 113 Delegates upon leaving office must promptly transfer all property, funds,  
 114 securities, equipment and other effects of their office to their successor.

115 Any member failing to comply with the provisions of this paragraph  
 116 shall be suspended from membership in the United Transportation  
 117 Union.

118 Candidates may have observers present during the counting and  
 119 tallying process including the tallying of the ballots, totaling, recording,

 121 have observers present at the preparation and mailing of the ballots,

 11 which the accused holds membership unless the alleged offense was  
 12 committed under the jurisdiction of another local, in which case the  
 13 charges will be sent to the Secretary of that local.

14 A local officer or committeeperson against whom charges have

15 been preferred shall continue in office while under charges unless  
16 otherwise voted by the local.

17 A member shall not be suspended for non-payment of dues while  
18 under charges. The local Treasurer is authorized to pay such  
19 membership dues from the local fund until the charges have been tried  
20 and determined. The money involved will be considered as a loan to  
21 the member and unless repaid on or before a day designated by the  
22 local the member will be suspended for non-payment of dues.

23 The local will consider the charges at its first regular meeting  
24 following their receipt by the Secretary of the local and unless charges  
25 are found to be completely lacking in substance or merit the local will  
26 accept the charges and authorize a trial.

27 A Trial Board consisting of five (5) members of the local working in  
28 the craft of the accused shall be elected by the local and the Trial Board  
29 shall elect from its members a Chairperson and a Secretary and  
30 proceed to try the case. Within three (3) days of their first meeting the  
31 Secretary of the Trial Board shall send to the accused by certified mail a  
32 copy of the charges and notice of the date, time, and place of trial. The  
33 date selected for the trial must permit not less than fifteen (15) days'  
34 advance notice to both parties involved in the trial. The trial shall be  
35 held within thirty (30) days from the meeting at which the charges were  
36 presented.

37 The Secretary of the Trial Board shall send by certified mail the  
38 same information relative to the trial to the party preferring the charges  
39 along with instructions to attend the trial for the purpose of submitting  
40 evidence and testimony in support of the charges and to participate in  
41 cross-examination by or on behalf of the accused.

42 The majority of the Trial Board shall constitute a quorum and, in the  
43 absence of a quorum, no trial shall be held and the Trial Board will  
44 report the circumstances to the local at its next meeting. If the local  
45 elects to continue the trial the Chairperson of the Trial Board will then  
46 set another date for the trial and notify all parties involved of the time,  
47 place, and date of the rescheduled trial which shall be held within thirty  
48 (30) days.

49 No member of a Trial Board shall be directly or indirectly involved  
50 as a party, witness, or otherwise in the conduct giving rise to the  
51 charges preferred against the accused. In the event any of the  
52 members of a Trial Board are so involved they shall be disqualified to sit  
53 and the local shall elect a substitute member.

54 Each party to a trial shall have the privilege of designating any  
55 party, except a party involved in the charges or proceedings, to act as  
56 his/her representative or counsel in the trial proceedings.

57 The party preferring the charges shall deliver in writing to the  
58 Chairperson of the Trial Board a list of the names of witnesses which  
59 he/she intends to call in support of the charges. He/she shall furnish a  
60 copy of such list to the accused and shall also act as prosecutor in the  
61 case either in person or through his/her counsel or representative.

62 For good cause any party may request a postponement of the date

63 set for trial. Such request shall be addressed to the Chairperson of the  
64 Trial Board and shall be subject to approval or rejection within the  
65 discretion of the members of the Trial Board. Such postponement shall  
66 not exceed ninety (90) days.

67 Should the accused fail to appear for trial after being notified as  
68 prescribed in the foregoing, should he/she appear but refuse to comply  
69 with the rules for the conduct of the trial prescribed by this Constitution,  
70 the local by-laws, or the Trial Board, or should he/she engage in  
71 conduct designed to obstruct the trial, the Trial Board shall proceed to  
72 conduct the trial in his/her absence. The accused, the party preferring  
73 charges, counsel or other representative for either party, or any  
74 witnesses who are guilty of misconduct before the Trial Board shall be  
75 excluded thereafter from the trial proceedings and the trial shall  
76 continue in their absence.

77 The Trial Board shall arrange for a transcript of the trial  
78 proceedings. A copy of the transcript shall be furnished to each party  
79 without cost.

80 Both parties to the trial shall be given full opportunity to present any  
81 witnesses and all relevant evidence and exhibits which they deem  
82 necessary to a proper presentation of their case and shall be entitled to  
83 cross-examine witnesses of the other party. Should a witness be  
84 unable to attend any trial session of the Trial Board, the evidence of  
85 such witness may be taken in deposition form before a notary public or  
86 other civil officer authorized to administer oaths. Said deposition shall  
87 be admissible evidence at the trial proceedings provided the adverse  
88 party or his/her counsel is given the opportunity of being present and  
89 cross-examining the witness when the deposition is taken.

90 Before giving testimony, any witnesses who are members of the  
91 United Transportation Union shall be required to make the following  
92 affirmation:

93 "Do you solemnly affirm upon your honor as a member of  
94 the United Transportation Union that the evidence to be  
95 given by you in this case shall be the truth and nothing  
96 but the truth?"

97 All persons shall be excluded from trial sessions except the  
98 members of the Trial Board, parties to the trial and their counsel or  
99 representative, the witness who is testifying, and the reporter or person  
100 transcribing the testimony.

101 After all evidence has been presented and arguments made by all  
102 parties or their counsel, the Trial Board shall conclude the trial and, as  
103 soon as practicable, assemble in executive session for consideration of  
104 its decision.

105 The Trial Board shall render its decision in writing within fifteen (15)  
106 days following the date upon which the trial was concluded. If the  
107 accused is found guilty, the Trial Board shall fix the penalty to be  
108 assessed which shall be reprimand, removal from office, suspension, or  
109 expulsion from membership. Such decision shall contain a statement of  
110 the pertinent facts involved, the violations charged, and the penalty to

111 be imposed if the verdict is one of guilt. Such decision and penalty  
112 shall be final and binding unless reversed or modified upon appeal as  
113 provided in Article 75 of this Constitution.

114 The Trial Board shall forward copies of its decision by certified mail  
115 to the accused and the party preferring the charges. Copies shall also  
116 be mailed to the International President, General Secretary and  
117 Treasurer, and the Secretary of the local.

118 If suspension is the penalty prescribed by the Trial Board, such  
119 suspension will be for not more than two (2) months beginning with the  
120 first day of the month following the month in which the Trial Board  
121 renders its decision.

122 If removal from office and/or expulsion from membership is the  
123 penalty, such removal and/or expulsion shall become effective on the  
124 date the Trial Board's decision is delivered to the accused by certified  
125 mail.

126 If reprimand is the penalty, the accused shall be summoned to  
127 attend a regular meeting of the local to be reprimanded by the  
128 President. If he/she fails to attend, the accused shall be suspended  
129 from membership until he/she does attend a meeting to receive the  
130 reprimand. If the failure to attend continues until the close of the month  
131 following the month in which the accused was summoned, he/she shall  
132 be expelled.

133 (b) Charges may be preferred against officers and members of  
134 General Committees of Adjustment or Legislative Boards for failure to  
135 fulfill the obligations and responsibilities imposed upon them by this  
136 Constitution and by their General Committee of Adjustment or  
137 Legislative Board.

138 Charges must be made in writing and shall clearly specify the  
139 alleged offense(s) together with the article(s) of this Constitution and/or  
140 those obligations and responsibilities which it is alleged have been  
141 violated.

142 Charges must be signed by the party preferring them. Said party  
143 shall forward copies by certified mail to the accused, the International  
144 President, and the Secretary of the General Committee of Adjustment or  
145 Secretary of the Legislative Board as the case may be. The  
146 International President shall promptly furnish copies of the charges to all  
147 members of the General Committee of Adjustment or Legislative Board  
148 involved.

149 If in the opinion of the majority of the members of the General  
150 Committee of Adjustment or Legislative Board the charges warrant  
151 trying the accused, the International President shall give the accused  
152 and the party preferring the charges fifteen (15) days' notice prior to the  
153 convening of a Trial Board to try the accused. The Trial Board shall  
154 consist of not more than five (5) members appointed by the International  
155 President from among those members of the General Committee of  
156 Adjustment or Legislative Board, as the case may be, who are not  
157 involved in the charges. The first named shall be chairperson. A  
158 majority of the Trial Board shall constitute a quorum.

159 The Trial Board shall meet at the time and place chosen by the  
160 International President, elect a Secretary, and proceed to try the case.

161 Each party to a trial shall have the privilege of designating any  
162 party, except a party involved in the charges or proceedings, to act as  
163 his/her counsel or representative in the trial proceedings.

164 The party preferring the charges shall deliver in writing to the  
165 Chairperson of the Trial Board a list of names of witnesses which  
166 he/she intends to call in support of the charges and shall furnish a copy  
167 to the accused. The accuser shall also act as prosecutor in the case  
168 either in person or through his/her counsel or representative.

169 Should the accused fail to appear for trial after notice as prescribed  
170 in the foregoing, should he/she appear but refuse to comply with the  
171 rules for the conduct of the trial prescribed by this Constitution or the  
172 Trial Board, or should he/she engage in conduct designed to obstruct  
173 his/her trial, the Trial Board shall proceed to conduct the trial in his/her  
174 absence. The accused, the party preferring charges, counsel or other  
175 representative for either party, or any witnesses who are guilty of  
176 misconduct before the Trial Board shall be excluded thereafter from the  
177 trial proceedings and the trial shall continue in their absence.

178 The Trial Board shall arrange for a transcript of the trial  
179 proceedings. A copy of the transcript shall be furnished to each party  
180 without cost.

181 Both parties to the trial shall be given full opportunity to present any  
182 witnesses and all relevant evidence and exhibits which they deem  
183 necessary to a proper presentation of their case and shall be entitled to  
184 cross-examine witnesses of the other party. Should a witness be  
185 unable to attend any trial session of the Trial Board, the evidence of  
186 such witnesses may be taken in deposition form before a notary public  
187 or other civil officer authorized to administer oaths. Said deposition  
188 shall be admissible evidence at the trial proceedings provided the  
189 adverse party or his/her counsel is given the opportunity of being  
190 present and cross-examining the witness when the deposition is taken.

191 Before giving testimony, any witnesses who are members of the  
192 United Transportation Union shall be required to make the following  
193 affirmation:

194 "Do you solemnly affirm upon your honor as a member  
195 of the United Transportation Union that the evidence to  
196 be given by you in this case shall be the truth and  
197 nothing but the truth?"

198 All persons shall be excluded from trial sessions except members  
199 of the Trial Board, parties to the trial and their counsel or representative,  
200 the witness who is testifying, and the reporter or person transcribing the  
201 testimony.

202 After all evidence has been presented and arguments made by all  
203 parties or their counsel, the Trial Board shall conclude the trial and, as  
204 soon as practicable, assemble in executive session for consideration of  
205 its decision.

206 The Trial Board shall render its decision in writing within fifteen (15)

207 days following the date upon which the trial was concluded. If the  
 208 accused is found guilty, the Trial Board shall fix the penalty to be  
 209 assessed which shall be reprimand or removal from office. Such  
 210 decision shall contain a statement of the pertinent facts involved, the  
 211 violations charged, and the penalty to be imposed if the verdict is one of  
 212 guilt. Such decision and penalty shall be final and binding unless  
 213 reversed or modified upon appeal as provided in Article 75 of this  
 214 Constitution.

215 The Trial Board shall forward copies of its decision by certified mail  
 216 to the accused and the party preferring the charges. Copies shall also  
 217 be mailed to the International President, General Secretary and  
 218 Treasurer, and members of the General Committee of Adjustment or  
 219 Legislative Board.

220 If reprimand is the penalty, the International President shall issue  
 221 the reprimand in writing to the accused and furnish all members of the  
 222 General Committee of Adjustment or Legislative Board a copy of the  
 223 reprimand.

224 If removal from office is the penalty, such removal shall become  
 225 effective on the date the Trial Board's decision is delivered to the  
 226 accused by certified mail. An officer or member thus removed may not  
 227 again serve in any office of the United Transportation Union except  
 228 upon approval of the International President.

1 Grievances must be reduced to writing, contain complete

1 (a) Local working conditions of a craft over which a local has  
2 jurisdiction may not be revised or changed unless authorized to do so  
3 by a majority of the votes cast by the members affected and working in  
4 the craft. Such a proposal will not be voted upon prior to the first  
5 meeting following that in which the proposition was presented. If more  
6 than one craft is affected, the issue shall be determined by a majority  
7 vote of each and every affected craft, i.e., in the event any one of the  
8 crafts affected rejects the issue, the matter shall remain unchanged.

9 (b) In the event 25% of the members working in a craft in the  
10 territory involved petition the local to circulate a referendum ballot, on  
11 any issue to be voted upon involving a change in local working  
12 conditions in the territory over which the local has jurisdiction, a  
13 referendum ballot will be circulated. Only those members assigned in

14 the craft and working in the territory affected shall be permitted to  
 15 vote. A majority of the votes cast shall determine the issue. An issue  
 16 decided by referendum vote can be changed only by another  
 17 referendum vote.

18 (c) General Committees of Adjustment, by a majority vote, may  
 19 authorize the revision of general or system schedule rules, amend  
 20 existing rules, or establish new rules, except, General Committees of  
 21 Adjustment consolidated on or after date of unification with other  
 22 General Committees of Adjustment and/or officers representing United  
 23 Transportation Union, assisting those General Committees of Adjust-  
 24 ment, shall not revise or amend general or system schedule rules of any  
 25 craft unless authorized to do so by a majority vote of the representatives  
 26 of that craft on the General Committee.

27 (d) When voting on matters involving wages, rules, working  
 28 conditions, or elections held in a local meeting is by craft vote, the craft  
 29 in which a member is entitled to vote shall be the craft in which he/she is  
 30 assigned, irrespective of local affiliation, at the time the vote is taken. In  
 31 the event referendum procedures are used for such voting the craft in  
 32 which a member is entitled to vote shall be the craft in which he/she is  
 33 assigned on the date prior to the date the ballots are mailed by the  
 34 Secretary.

35 (e) The provisions of this Article may not be changed by the  
 36 International Union, except, upon the approval of a majority vote of the  
 37 members of each of the crafts represented by the United Transportation  
 38 Union.

## **ARTICLE 81**

### **LOCAL COMMITTEES OF ADJUSTMENT**

1 Each local shall elect a Local Committee of Adjustment, consisting  
 2 of a Chairperson, one or more Vice Chairpersons, and a Secretary.  
 3 Additional Local Committees of Adjustment may be formed to represent  
 4 members on a separate seniority district or when employed in a  
 5 separate craft represented by the United Transportation Union. Such  
 6 committeepersons must hold seniority rights in one of the crafts under  
 7 the jurisdiction of the Local Committee.

8 The International President may grant dispensation for the  
 9 establishment of separate Local Committees of Adjustment for the  
 10 members of a local working in one of the various crafts represented by  
 11 the United Transportation Union. Each Local Committee shall be  
 12 maintained by dues and/or assessments levied upon the members  
 13 under the jurisdiction of such committee.

14 When required, it shall be the duty of the Chairperson of the Local  
 15 Committee of Adjustment to furnish the Treasurer of the local and the  
 16 interested General Chairpersons the names of non-members and  
 17 members who have been taken out of service, or who have been  
 18 returned to service. Additionally the Chairperson of the Local  
 19 Committee of Adjustment will assist in furnishing information to the

20 Treasurer as to the names of employees working under the jurisdiction  
21 of his/her committee.

22 It shall be the duty of the Chairperson of the Local Committee of  
23 Adjustment to promptly handle claims and grievances when presented  
24 in accordance with Article 79. He/she shall be authorized to file claims  
25 and grievances including those where time has not been claimed, or  
26 where claims were incorrectly and/or improperly filed. He/she shall  
27 report on the handling of all claims and grievances at the next local  
28 meeting.

29 Should the Local Chairperson fail to satisfactorily adjust any case  
30 presented he/she may refer same to the General Chairperson with the  
31 complete facts and history of the case including copies of  
32 correspondence exchanged with local officials.

33 It shall be the duty of the Vice Chairperson to handle matters  
34 referred to the Local Committee when so directed by the Chairperson.  
35 The Vice Chairperson of the Local Committee shall act as Chairperson  
36 when the Chairperson is unable to perform his/her duties, and in case of  
37 a permanent vacancy in the office he/she shall act as Chairperson until  
38 the office is filled as provided in Article 57. When more than one Vice  
39 Chairperson is elected to a Local Committee of Adjustment, the Local  
40 Committee shall designate the Vice Chairperson who shall act as  
41 required by this paragraph.

42 Local Committees shall not take grievances to the general officers  
43 of an employer, except through the General Chairperson, and will not be  
44 permitted to enter into any agreement or understanding or change an  
45 agreement or understanding unless approved and signed by the  
46 General Chairperson and the designated carrier representative.

47 Local Committees of Adjustment may consolidate their Committees  
48 under such terms and conditions as they deem appropriate, subject to  
49 approval by a majority of the members under the jurisdiction of each  
50 Committee involved.

51 In the event 25% of the members, working in a craft under the  
52 jurisdiction of a Local Committee of Adjustment, petition the Secretary of  
53 their local to circulate a referendum ballot on a proposition of  
54 discontinuing their Local Committee of Adjustment and to be placed  
55 under the jurisdiction of another Committee in the same local, the  
56 Secretary will circulate a ballot on the proposition among the members  
57 represented by each respective Local Committee of Adjustment. Upon  
58 approval by a majority vote of the members represented by each  
59 respective Committee, the Committee to be discontinued will, within  
60 fifteen (15) days from the date of such approval, make an orderly  
61 transfer of the property, funds, and files to the Committee assuming  
62 jurisdiction.

63 Compensation and expenses for members of the Local Committee  
64 shall be determined by the members of the local under the jurisdiction of  
65 the Committee. The Local Committeeperson when authorized by the  
66 General Chairperson to perform service in connection with General  
67 Committee matters shall be compensated from the General Committee

68 Fund.

## **ARTICLE 82 GENERAL COMMITTEE OF ADJUSTMENT**

1 The Chairperson of each Local Committee of Adjustment under the  
2 jurisdiction of a General Committee of Adjustment shall be a member of  
3 such General Committee of Adjustment. Local Chairpersons  
4 representing yardmasters only, may be members of the General  
5 Committee representing yard/switchpersons subject to approval of such  
6 General Committee.

7 The officers of a General Committee of Adjustment shall be a  
8 General Chairperson, one or more Vice Chairpersons, and a Secretary.  
9 The officers of a General Committee must hold seniority rights in one of  
10 the crafts under the jurisdiction of such General Committee.

11 Each General Committee of Adjustment shall hold a quadrennial  
12 meeting in January of 1971. Beginning with this meeting not more than  
13 two (2) officers of a General Committee shall be elected from any one  
14 craft when such Committee represents only two crafts, and not more  
15 than one officer from any one craft when such Committee represents  
16 more than two crafts, except by unanimous consent of the full General  
17 Committee.

18 If a Chairperson of a Local Committee of Adjustment is unable to  
19 attend a meeting of the General Committee, the Vice Chairperson of  
20 such Committee shall attend the meeting and represent his/her local,  
21 but as such, he/she shall not be eligible for election as an officer of the  
22 General Committee, except that of General Chairperson. The absent  
23 Local Chairperson shall be eligible for election as an officer of the  
24 General Committee of Adjustment.

25 Incumbent officers and members of the General Committee, and  
26 any member holding seniority in the craft represented by the General  
27 Committee shall be eligible for election to the office of General  
28 Chairperson. Only members of the General Committee shall be eligible  
29 for election to the office of Vice General Chairperson, or Secretary of  
30 the Committee. A General Committee requiring the full-time services of  
31 a Vice General Chairperson or Secretary may re-elect such officers,  
32 without their being re-elected as Local Chairperson. In such cases  
33 these officers may speak but shall have no vote in the General  
34 Committee.

35 The officers of a General Committee shall be elected by secret vote  
36 of the members of the General Committee during the quadrennial  
37 meeting except as otherwise provided herein.

38 The Chairperson of a General Committee of Adjustment may be  
39 elected by referendum vote instead of by General Committee vote as  
40 provided for in the preceding paragraph if two-thirds (2/3) of the Local  
41 Chairpersons under the jurisdiction of a General Committee, prior to  
42 August 1 preceding the year of the regular quadrennial meeting of the  
43 General Committee, vote for and advise the International President in

44 writing of their desire to have the Chairperson of that Committee  
45 elected by referendum vote.

46 Upon receipt of such request the International President will notify  
47 the locals under the jurisdiction of that General Committee that a  
48 referendum election for General Chairperson will be held.

49 Each local under the jurisdiction of the General Committee, after  
50 giving at least fifteen (15) days prior notice thereof, shall schedule a  
51 meeting to be held prior to October 1, at which nominations for General  
52 Chairperson will be accepted.

53 Nominations for General Chairperson will only be accepted when a  
54 petition is signed by at least five (5) members holding seniority rights in  
55 one of the crafts and holding membership in one of the locals under the  
56 jurisdiction of the General Committee. The petition shall be presented  
57 to the Secretary of the local no later than the meeting scheduled to  
58 accept such nominating petitions.

59 The Local Secretary shall certify the names of candidates and  
60 forward same to the International President by certified mail no later  
61 than ten (10) days after the nominating meeting. The International  
62 President shall have prepared ballots placing the name of the  
63 incumbent candidate on the ballot first and the names of the other  
64 candidates in alphabetical order. The International President shall send  
65 a ballot as described in Article 57 to each member entitled to vote no  
66 later than October 25. Only members employed under the jurisdiction of  
67 a General Committee of Adjustment shall be eligible to vote in the  
68 referendum election for the Chairperson of such Committee. The  
69 International President shall request a list of eligible voters to be  
70 prepared by the General Secretary and Treasurer showing the names  
71 and addresses of the members paying General Committee  
72 assessments to that General Committee for the month of August  
73 preceding the election.

74 The International President shall arrange for the General Secretary  
75 and Treasurer to receive and tabulate the ballots. The envelope  
76 addressed for the return of such ballot shall be addressed to the  
77 General Secretary and Treasurer and shall not be opened prior to the  
78 date set for tabulation.

79 The General Secretary and Treasurer will tabulate the ballots  
80 between November 10 and November 15 and shall notify the General  
81 Chairperson and candidates the date set for tabulating the ballots.  
82 Each candidate, or his/her representative, may witness the tabulation at  
83 his/her own expense.

84 The General Secretary and Treasurer shall immediately notify the  
85 International President, General Chairperson, candidates, and each  
86 local the results of the election.

87 The candidate receiving a majority of the votes cast shall be  
88 declared elected. If no candidate receives a majority on the first ballot,  
89 all but the two candidates receiving the largest vote will be dropped from  
90 the ballot, and a second election will be held in the same manner. In  
91 case of a tie, the General Secretary and Treasurer shall be governed

92 by the applicable provisions of Article 57.

93 A defeated General Chairperson shall not sign system agreements  
94 unless they are also signed by the Vice Chairperson and Secretary of  
95 the General Committee. A defeated General Chairperson shall not  
96 close out pending cases unless concurred in by the Vice Chairperson  
97 and Secretary of the General Committee.

98 The cost of a referendum election for General Chairperson shall be  
99 considered as General Committee expense under Article 84, and such  
100 expense shall be paid by the General Secretary and Treasurer from the  
101 appropriate General Committee fund.

102 The Chairperson of each General Committee of Adjustment shall  
103 convene the full Committee between January 1 and May 31 following  
104 the completion of the quadrennial elections for Local Committees of  
105 Adjustment, or as soon thereafter as elections are completed, and  
106 quadrennially thereafter. Actions of the General Committee shall be  
107 retroactive to January 1 of that year. In the event the Chairperson fails  
108 to convene the Committee, the Committee shall be convened by the  
109 International President on request of one or more locals.

110 When the Chairperson had been elected by referendum vote, the  
111 results of the vote shall be announced on the first day of the quadrennial  
112 meeting and the Chairperson elected shall immediately assume the  
113 office.

114 A General Chairperson shall have no vote in General Committee  
115 meetings except in case of a tie vote on matters other than elections,  
116 the Chairperson will cast the deciding vote. In case of a tie vote in a  
117 Committee election after five (5) secret ballots the Chairperson shall  
118 then be permitted to vote.

119 Each General Committee of Adjustment may adopt its by-laws and  
120 procedures, establish salaries, set the amount of General Committee of  
121 Adjustment dues, and such other matters necessary for its operation,  
122 subject to the provisions of this Constitution.

123 The International President may grant dispensation for the  
124 establishment of separate General Committees of Adjustment for the  
125 various crafts represented by the United Transportation Union. Each  
126 such Committee shall be maintained by dues and/or assessments  
127 levied upon the members under the jurisdiction of such Committee.

128 If less than three (3) locals are located on a property, the General  
129 Chairperson shall be elected by referendum vote.

130 A General Chairperson may not serve as Local Chairperson, except  
131 when there is only one local on a property the Local Committee of  
132 Adjustment shall constitute the General Committee of Adjustment.

133 In Bus Department Locals where there is one Local on a property,  
134 General Committees of Adjustment and/or officers representing the  
135 United Transportation Union, shall not revise or amend general or  
136 system schedule rules unless authorized to do so by a majority of votes  
137 cast by the members of the craft under the jurisdiction of the General  
138 Committee.

139 The Secretary of the General Committee shall promptly notify the

140 International President in the event of a vacancy in the office of  
141 Chairperson. The International President shall order an election, to be  
142 held in accordance with the provisions of this Article, to fill the vacancy.  
143 In the interim the Vice General Chairperson designated by the  
144 Committee at the time of his/her election will fill the vacancy.

145 Vacancies in the office of Vice General Chairperson or Secretary of  
146 the General Committee shall be filled by a majority vote of the General  
147 Committee, while in session, or by secret ballot conducted by mail as  
148 follows: The Chairperson will set a period in which any member of the  
149 Committee may nominate another member of the Committee to fill the  
150 office. When the period for making nominations has expired, the  
151 Chairperson shall prepare ballots, placing the names of the candidates  
152 in alphabetical order. He/she shall furnish ballots to each member of  
153 the Committee, with notification as to the date on which the ballots must  
154 be returned for tabulation. On the date specified, the Chairperson, with  
155 the assistance of at least two members of the Committee or two officers  
156 of the nearest local, shall tabulate the ballots and certify the results to  
157 the Secretary of the General Committee. The Secretary of the General  
158 Committee shall report the results of the election to the locals and  
159 members of the General Committee.

160 General Chairpersons or Executive Committee of General  
161 Committees of Adjustment may voluntarily consolidate their committees  
162 under such terms and conditions as they deem appropriate subject to  
163 approval by a two-thirds (2/3) vote of the members of each General  
164 Committee of Adjustment involved and the International President.

165 In the event 25% of the members working under the jurisdiction of a  
166 General Committee of Adjustment petition the Secretary of the General  
167 Committee to circulate a referendum ballot on a proposition of  
168 discontinuing the officers of their committee and consolidating their  
169 committee under the officers of another committee holding similar  
170 jurisdiction on the same property, the Secretary will prepare a ballot on  
171 the proposition to be circulated among the members involved by the  
172 Secretaries of the locals involved. Upon approval by a majority vote of  
173 the membership represented by such committee, a referendum ballot  
174 will be circulated among the membership represented by the other  
175 General Committee of Adjustment involved in the consolidation. Upon  
176 approval by a majority vote of the membership under the jurisdiction of  
177 such other committee, the officers of the committee being dissolved will,  
178 within sixty (60) days, make an orderly transfer of the property, funds,  
179 and files to the committee having jurisdiction.

180 If as a result of the referendum vote it is the desire of the  
181 membership represented by the two General Committees to  
182 consolidate, a referendum election will be held as provided in this Article  
183 to elect a General Chairperson from the two incumbent General  
184 Chairpersons. The defeated General Chairperson will become an  
185 assistant General Chairperson of the consolidated General Committee  
186 and shall be placed in no worse position with respect to salary or  
187 compensation. His/her term of office as assistant will expire at the

188 same time as the General Chairperson at the next quadrennial meeting.  
 189 Nothing in this Article shall prevent a General Committee from  
 190 providing a residence property settlement, moving expense, and  
 191 transfer allowance for a General Chairperson who is required by the  
 192 consolidated General Committee to relocate his/her residence as a  
 193 result of a consolidation of General Committees.

### **ARTICLE 83 RETIRED MEMBERS**

1 Members of the United Transportation Union retired from service on  
 2 account of age shall be assessed International dues of 75 cents per  
 3 month, to be collected in a manner prescribed by the President and  
 4 General Secretary and Treasurer. Retired members paying the 75  
 5 cents per month assessment shall be members of the United  
 6 Transportation Union Retirees Association so long as such dues are  
 7 paid. Provided, however, that the President with the concurrence of the  
 8 Board of Directors may increase the dues from 75 cents per month to  
 9 \$1.00 per month.

10 Payment of the aforementioned dues by retired members shall in  
 11 no way affect the voting rights of such retired members of the United  
 12 Transportation Union.

### **ARTICLE 84 GENERAL COMMITTEE FINANCING**

1 Each General Committee of Adjustment must maintain a fund  
 2 sufficient to pay all salaries and expenses necessary for the  
 3 maintenance of the Committee through assessments upon the  
 4 members under their jurisdiction.

5 The General Committee fund shall be deposited with the General  
 6 Secretary and Treasurer and shall be used to pay the salaries,  
 7 expenses, and other allowances necessary for the maintenance of the  
 8 General Committee. The General Secretary and Treasurer shall furnish  
 9 each interested Local Treasurer and the General Chairperson a monthly  
 10 report showing the division of dues and assessments.

11 Dues, assessments, salaries, expenses, and other allowances  
 12 established for the maintenance of General Committees, and in effect  
 13 as of the effective date of unification, shall remain in effect, subject to  
 14 change as provided herein.

15 Any proposition to establish or abolish full-time salaried officers of a  
 16 General Committee or to increase or decrease dues, assessments,  
 17 personal expense, or other allowances established for the maintenance  
 18 of General Committees shall be submitted to the members of the  
 19 General Committee while in session or by mail by the appropriate  
 20 officer of the General Committee setting forth the specific change and  
 21 effective date of such change. Such proposition must be approved by a  
 22 majority vote of the members of the General Committee before being

23 made effective.

24 All reasonable and proper expenses of a General Committee,  
 25 officer, or member thereof when in the service of a General Committee  
 26 shall be allowed as expense of the General Committee. An itemized  
 27 statement of expenses incurred, with receipts for all items in excess of  
 28 \$5.00, and any amount due for services rendered shall be submitted to  
 29 the Chairperson of the General Committee. When such statements are  
 30 approved they shall be submitted to the General Secretary and  
 31 Treasurer for prompt payment. A copy of all such statements shall be  
 32 furnished to the Secretary of the General Committee.

33 Where not otherwise provided for, the General Chairperson may  
 34 rent office space, purchase office equipment, and employ such clerical  
 35 assistance as necessary, when authorized to do so by a majority vote of  
 36 the General Committee in session or by mail vote between sessions.

## **ARTICLE 85**

1 General Committees of Adjustment shall have authority to make  
 2 and interpret agreements with representatives of transportation  
 3 companies covering rates of pay, rules, or working conditions - subject  
 4 to membership ratification in accordance with the provisions of this  
 5 Article.

6 General Committees shall investigate all matters properly submitted  
 7 to them and shall have the authority to alter, amend, add to, or strike out  
 8 any part, or all, of any matter submitted to them.

9 In the event a matter cannot be satisfactorily adjusted, the General  
 10 Chairperson may request the assistance of the International President.  
 11 Upon receipt of such request, the International President or his/her  
 12 representative shall meet with the General Chairperson, renew efforts to  
 13 obtain a satisfactory adjustment of the matter and shall be vested with  
 14 the same authority held by the General Committee to progress the  
 15 matter to a conclusion. Any system or local adjustments agreed to by  
 16 the International President or his/her representatives, shall be subject to  
 17 a majority vote of local chairpersons affected.

18 In the event the International President or his/her representative  
 19 and the Committee are unable to reach a satisfactory adjustment of the  
 20 matter, the International President may order a strike on all or any  
 21 portion of the company involved. Such strike action must be authorized  
 22 by a two-thirds vote of the members of the General Committee. Such  
 23 vote may be taken by wire, mail, or personal contact with written  
 24 confirmation as the General Chairperson may direct.

25 Between sessions of the General Committee of Adjustment, the  
 26 Chairperson of such Committee shall exercise all rights, privileges, and  
 27 authority vested in the General Committee, except as otherwise directed  
 28 by the General Committee while in session, subject to the membership  
 29 ratification provisions of this Article.

30 The General Chairperson must poll the entire membership holding

31 seniority and working in the craft involved on the property by mail  
 32 referendum ballot prior to signing any system agreements and be  
 33 governed by the majority of the votes cast.

34 Upon completion of the balloting for a system agreement, the  
 35 General Chairperson will prepare a report designating the result of the  
 36 vote. A copy of the report shall be submitted to each affected Local  
 37 within 30 days after the close of balloting.

38 The General Chairperson must poll the affected Local Chairpersons  
 39 prior to signing any Local agreement and be governed by the majority of  
 40 the votes cast.

41 Upon completion of the balloting for a Local agreement, the  
 42 General Chairperson will prepare a report designating the result of the  
 43 vote of each Local Committee. A copy of the report shall be submitted  
 44 to each affected Local within thirty (30) days after the close of the  
 45 balloting.

46 A General Committee may elect from its members a sub-committee  
 47 and vest such committee with authority of the General Committee of  
 48 Adjustment to adjust such matters as may be assigned to it by the  
 49 General Committee. The Chairperson of the General Committee shall  
 50 be Chairperson of all such sub-committees.

 55 of the action taken.

56 Actions or decisions of a General Committee shall be binding upon  
 57 the members and locals under the jurisdiction of such General  
 58 Committee unless reversed or modified upon appeal as provided in  
 59 Article 75 of this Constitution.

(NOTE: Delegates moved that this Article 85 would be  
 interpreted that a UTU Engineer working under a  
 BLE agreement would vote as a fireman on any  
 agreement involving firemen.)

## **ARTICLE 86 VACATIONS - GENERAL COMMITTEEPERSONS**

1 **Full-time officers and employees of General Committees of**  
 2 **Adjustment shall be granted vacation with pay, consistent with the**  
 3 **terms of the National Vacation Agreement, based upon earnings**  
 4 **from their Committee. Such vacations may be split if desired but**  
 5 **will not be carried over from one year to the next.**

6 Officers and members of General Committees employed on a part-  
 7 time basis shall be paid the difference between the amount of vacation  
 8 pay allowed by their carrier and the amount of vacation pay they would  
 9 have received had their wages with the General Committee been  
 10 earned with the carrier except, if they do not work a sufficient amount

11 of time with their carrier to qualify for a vacation, they shall be allowed  
 12 a vacation with pay, consistent with the terms of the National Vacation  
 13 Agreement, based upon their total earnings with the carrier and the  
 14 General Committee.

15 Vacation allowances provided herein shall be paid by the General  
 16 Secretary and Treasurer from the General Committee fund upon  
 17 approval of the vacation claim by the General Chairperson and  
 18 Secretary of the General Committee. This Article is intended to prevent  
 19 any loss in vacation time and pay as a result of serving the General  
 20 Committee.

## **ARTICLE 87 CHAIRPERSON OF GENERAL COMMITTEE**

1 The Chairperson of a General Committee of Adjustment shall be its  
 2 executive head, preside over all meetings, and exercise general  
 3 supervision over its affairs and interests.

4 The Chairperson shall furnish a quarterly report of his/her activities  
 5 to all Local Chairpersons and locals under his/her jurisdiction and use  
 6 such other means as necessary to keep the membership well informed.

7 He/she shall attach to the report an itemized statement of receipts and  
 8 disbursements of his/her Committee which shall be furnished by the  
 9 General Secretary and Treasurer in sufficient number for distribution  
 10 with this report.

11 The Chairperson shall convene the General Committee upon  
 12 request of a member of said Committee provided (1) a 2/3 majority of  
 13 the Committee concurs in such request, and (2) sufficient funds are  
 14 available.

15 The Chairperson shall perform such other duties as may be  
 16 required by the General Committee and this Constitution.

## **ARTICLE 88 VICE CHAIRPERSONS OF GENERAL COMMITTEE**

1 The Vice Chairpersons of a General Committee of Adjustment shall  
 2 act for or on behalf of the Chairperson when so directed by the  
 3 Chairperson. They shall perform such other duties as may be  
 4 delegated to them by the General Committee of Adjustment.

## **ARTICLE 89 SECRETARY OF GENERAL COMMITTEE**

1 The Secretary of a General Committee of Adjustment shall keep a  
 2 record of the proceedings of each meeting. He/she shall issue notices  
 3 of meetings when so directed by the General Chairperson. He/she shall  
 4 have charge of the books and papers of the Committee pertaining to  
 5 this office. The Secretary shall prepare and furnish the International  
 6 President, General Secretary and Treasurer, each local Chairperson,

7 and each local Secretary a copy of the proceedings of the Committee  
 8 within twenty (20) days of the close of each session. He/she shall notify  
 9 the International President the names and addresses of the General  
 10 Committee immediately following their election.

11 The Secretary shall perform such other duties as might be required  
 12 by the General Committee and this Constitution.

## **ARTICLE 90**

### **MERGERS, LEASES, COORDINATIONS, ETC.**

1 When, through lease, purchase, merger, consolidation or other  
 2 cause, a line or lines of a carrier or a portion thereof is taken over by  
 3 another carrier or where, because of establishment of a new line by an  
 4 existing carrier or for other reasons, traffic is permanently diverted from  
 5 one carrier to another or from one road and/or yard seniority district to  
 6 another on the same carrier and such affects the seniority rights of  
 7 employees on such carriers, General Committees of Adjustment shall  
 8 arrange for a fair and equitable division of the work. Prior seniority  
 9 rights of employees to service on their former seniority district or  
 10 territory shall be preserved to the extent possible. Permanently, as  
 11 used herein, is intended to mean some reasonable degree of regularity  
 12 in excess of thirty (30) days.

13 General Committees shall give consideration to all factors involved,  
 14 including but not limited to hours worked, cars and tonnage handled  
 15 where applicable, and mileage of operations on each seniority district or  
 16 territory involved prior to the change in operation, consolidation, or the  
 17 diversion or re-routing of traffic.

18 In circumstances in which a new line is established by a carrier and  
 19 no seniority rights exist, employees from the line from which traffic is  
 20 diverted, will be transferred to the new line in equal percentage to the  
 21 mileage of the traffic diverted from the old line. If the portion of line  
 22 transferred is insufficient in extent to constitute a separate seniority  
 23 district, the employees taken over therewith in the merger may be  
 24 placed on the roster of the proper seniority district to which the merged  
 25 line is attached with seniority on such roster in their respective classes  
 26 from a date not later than the date of merger.

27 In applying this Article to bus lines the International and its  
 28 Legislative Department will intervene with the ICC for a reservation of  
 29 jurisdiction, for the imposition of conditions, for at least three (3) years  
 30 for employees who may be adversely affected.

31 Disputes arising under this Article which cannot be resolved by the  
 32 General Committee or General Committees shall be referred to the  
 33 International President. The International President shall promptly  
 34 assign an officer to assist the General Committee or General  
 35 Committees involved in resolving the dispute. Failing to resolve the  
 36 dispute the officer shall make a complete report and recommendation to  
 37 the International President who, in turn, shall decide the dispute.

38 Any local or member of a local affected by action or decision of a

39 Chairperson, Sub General Committee or General Committee, or by the  
 40 decision of the International President with respect to this Article may  
 41 appeal such action or decision to the Board of Appeals, provided such  
 42 appeal is filed with the General Secretary and Treasurer within ninety  
 43 (90) days from the date of the action or decision. The Chairperson, Sub  
 44 General Committee, General Committee, or International President, as  
 45 the case may be, shall be allowed thirty (30) days from the date the  
 46 appeal is filed in which to reply to the appeal. The parties involved in an  
 47 appeal shall exchange copies of the appeal and reply to the appeal.

## **ARTICLE 91**

### **ASSOCIATION OF GENERAL CHAIRPERSONS**

1 The Chairpersons of the General Committees in each district, as  
 2 hereinafter set forth, shall form an Association of General Chairpersons,  
 3 each to function independently of the other, for the purpose of  
 4 formulating concerted movements relating to wages, rules, and working  
 5 conditions of transportation service employees in their district.

6 District No. 1 shall include all rail lines in the United  
 7 States.

8 District No. 2 shall include all rail lines in Canada.

9 District No. 3 shall include all bus lines in the United  
 10 States and Canada.

11 All General Chairpersons on properties where the combined  
 12 membership represented by the United Transportation Union is one  
 13 hundred (100) or more, shall be members of the Association of General  
 14 Chairpersons in their respective districts as outlined above. Where the  
 15 combined membership represented by the United Transportation Union  
 16 on a property is less than one hundred (100) the General Chairpersons  
 17 on that property shall elect one of their group to be a member of the  
 18 Association in their respective districts. Members of the Association of  
 19 General Chairpersons shall attend all meetings of their Association and  
 20 represent their committees with pay and proper expenses to be paid  
 21 from the General Fund of the International.

22 The International President shall convene the General Chairpersons  
 23 during the year 1969 for the purpose of organizing the Association in  
 24 each district. Each district shall elect, by secret ballot, a Chairperson, a  
 25 Vice Chairperson, and a Secretary to serve as officers of their  
 26 Association.

27 Following the reorganization of General Committees in 1971, and  
 28 quadrennially thereafter, the International President shall convene the  
 29 Association of General Chairpersons for the purpose of reorganizing  
 30 and electing officers.

31 Each Association shall adopt by-laws for its special government  
 32 consistent with the provisions of this Constitution.

33 The Association will be convened by the International President  
 34 whenever necessary and will be convened by him when a majority of  
 35 the General Chairpersons within a district of the Association request a

36 special meeting, provided the requests are uniform in object and  
37 purpose and the meeting is limited to subjects over which the  
38 Association has jurisdiction.

39 In any general or concerted wage-rules movement, members in an  
40 Association cannot withdraw support of a movement which has been  
41 approved by a two-thirds vote of the members of an Association, unless  
42 sanction thereto is given by a majority vote of eligible members of the  
43 Association and approved by the International President. In the event
